**ASPIRO** ([www.aspiroinc.org](http://www.aspiroinc.org))

ASPIRO has been serving the Green Bay community since 1957. We believe that when we work together, erasing preconceived notions of what's possible, and have the tools, support and opportunities, then no matter what challenges a person faces, he/she will find success. **Very simply, we see people first and their disability second.**
