

Chances are you have probably all played a Bay Tek game, but maybe you just didn't know it! You probably also didn't know the team associates at ASPIRO had a hand in those games!

Name of the products produced by ASPIRO: Chase lights, circuit boards, cable harnesses and other sub-assemblies.

What is your satisfaction level with the output of your product? Our satisfaction is **Very High**. ASPIRO provides our products in a timely fashion and they are completed with the high quality standards we expect.

Why did you choose ASPIRO?

Our experience with the team associates and management of ASPIRO is in its fourth year and going strong. We chose ASPIRO as a partner because they could support the necessary piece work that is essential to assemble our games.

The service they provide to support our operation is outstanding. When we have a new task to share with them, they always approach it with a "can do" attitude.

About Bay Tek Games:

Bay Tek Games was founded in 1977 and is a family owned and operated business that is driven to **provide fun and profit through innovative coin-operated games**. Headquartered in the heart of the Midwest, Pulaski, Wisconsin is home to Bay Tek Games. The rural community in Northeast Wisconsin populates over 3,500 citizens where hard work, fun, and simplicity meet. The employees share one vision of becoming the **best in the world** at developing and manufacturing coin-operated games.
