Re: Coronavirus (COVID-19)

A lot has happened in the last week. We are in uncharted times and we are learning right alongside you as we navigate COVID-19 together.

Effective, Monday, March 23, 2020 we are closing our facility based client programming and client work until further notice.

We will continue providing services in Residential Services, Employment Services, Early Intervention, Positive Parenting and Respite Care on a case by case basis.

Other updates:

The bowling banquet (scheduled for April 3), variety show (May 1 and May 5 performances), and Triumph Mile training are all suspended.

Thank you for your support and trust. Be well.
