

Winona Foods is a private label manufacturer of snack and beverage items; selling products to retail chains throughout the country.

“ASPIRO came to Winona Foods with an efficient and economical way of completing the jobs we needed done. We utilize ASPIRO to build shipper displays, for the application of specialty packaging and for repacking. ASPIRO goes above and beyond our satisfaction level to meet our needs to service our customers. Their timeliness and effort to accommodate all of our needs far exceeds expectations. The quality of workmanship is evident in all they do,” stated Jeff Daanen, Vice President of Sales.

In 2012, 202 team associates at ASPIRO worked on Winona Foods projects, putting in a total of 8,574 production hours. The partnership between Winona Foods and ASPIRO has a direct impact on the lives of individuals with disabilities in our community and is truly a win-win scenario. Individuals with disabilities have the pride and accomplishment of meaningful work and Winona Foods receives the quality and timeliness of a dedicated partner.

DID YOU KNOW?? In 2004, Winona Foods created a state-of-the-art facility which was featured on [The History Channel's "Modern Marvels."](#) Their industry-leading facility allows their highly skilled R&D team to develop custom recipes or formulate national brands to meet their customer's exact specifications.
